

Notes:

(We Do Freelancing As A Front-End Web Development Team)

- **Team Advantage:** We are a team of two, ensuring high-quality design and efficient development.
- **Price Flexibility:** Prices are adjustable based on the complexity of the project.
- **Scope:** Each page can include up to 4 sections, ensuring a clean and focused design.
- **Timeline Commitment:** Timelines are fixed based on your workflow.
- **Add-On Features:** Optional services like animations, custom forms, or basic SEO can be included for an additional charge.
- **Client Communication:** Regular updates will be provided during the design and coding phases for transparency.
- **Promotions:** Discounts or bonuses (like free revisions) are available for first-time clients.
